

SIC 2022 is approaching fast and we hope to meet all of you next week in the Leganés campus of Universidad Carlos III. The talks will be delivered in Aula de Grados of the Padre Soler building (building no. 5), on Tuesday (3th May), with the first one starting at 10am.

Please, see below for more details —especially the social dinner, as we will confirm the number of seats with the restaurant tomorrow.

See you soon!

Social dinner

For those of you attending the social dinner on Monday (2nd May), we have booked restaurant La Canibal (<https://goo.gl/maps/SGKu1piRTcpc9qmR7>), close to Atocha station. The cost is 40€ per person. We will meet there at 20:45.

Poster presentations

In the website <https://sic2022.webs.tsc.uc3m.es>, under the “Posters” tab, there is a list of posters to be presented at the workshop, with authors, title and abstract. If you are presenting a poster, please, make sure it is in the list (and let us know if it isn’t).

We have space for up to 20 posters. All boards can accommodate A0-size portrait posters, which is the format indicated in the website. A few boards (not many) can accommodate A0-size landscape posters.

We are operating close to capacity, but (barring any mistakes on our side) there will be space for everyone who requested to present a poster.

Workshop venue

The conference is held at the Leganés campus of Universidad Carlos III de Madrid. The full address is Avenida de la Universidad, 30, 28911 Leganés, Madrid.

The campus is located within a short walk of Leganés Central railway and metro station, and it is easily by public transport from Madrid city centre. See the [map](#) to reach the workshop venue:

If you are walking from the station you will arrive from the south west and will have to cross the campus to reach building no. 5. Once there, go upstairs to the first floor and find the Aula de Grados. There will be signs to lead your way through the campus and also in building no. 5.

Registration, poster session and coffee break

There will be a registration desk next to the Aula de Grados, where you will be able to contact the organizers.

All activities will be conducted in the same area around the Aula de Grados. The poster session will be held in the long hall between Aula de Grados and the cafeteria. Next to

the poster area, through the door, you will find the auditorium hall, where you may socialize during the coffee/tea break.

Every attendee will receive a certificate of attendance with their workshop kit. There will be a participation certificate for the first authors of presented posters. If you need something else on the bureaucratic side, please, contact us.

Lunch break

The UC3M campus is located close to the pedestrian area in the centre of Leganés. There are plenty of bars and restaurants serving food and drinks within a 10-minute walk. We suggest you take a stroll to Plaza de la Fuente Honda as shown in the [map](#) and pick a place in the plaza or on your way there. If the weather is dry, most places give you the possibility to have your lunch outdoors.

For a quicker lunch, simply pop in the Cafeteria, located side by side with the poster area. Lunch is served from 13:15 to 15:30. Snacks and drinks can be bought at any time until 17:00.

Wireless internet access

If your home institution has `\emph{eduroam}` then you will be able to connect freely to the internet at the conference (wherever there is wifi available). Please note that you need to set up `\emph{eduroam}` at your home institution before you will be able to use it on the UC3M campus.

Alternatively, you may use the UC3M-Visitantes (visitor network). Please, note that you will need to register online to use this WiFi access. Click [here](#) for instructions.
